Admission arrangements

Present

STATUTORY REQUIREMENT

Published and current. The 2027-28 admission policy is the most recent version and covers all required elements: PAN of 240 for Year 7, oversubscription criteria including banding and feeder schools, in-year admissions process, appeals timetable, and Sixth Form arrangements with a PAN of 30 for external applicants.

Provider access policy statement (Baker Clause)

Present

STATUTORY REQUIREMENT

Published and current. The Provider Access Policy 2026-27 complies with section 42B of the Education Act 1997, sets out circumstances for provider access to pupils in Years 8 to 13, specifies the six mandatory encounters (two in Years 8-9, two in Years 10-11, two in Years 12-13), details the request procedure, and confirms governance oversight by the Careers Link Governor.

Careers programme information

Present

RECOMMENDED

Published and current. The CEIAG Policy 2026-27 names the careers lead ([name]) with contact details ([email address], [phone number]), describes the careers programme structure across Years 7-13, explains how students, parents, teachers and employers can access it (Unifrog platform, assemblies, careers talks, work experience, 1:1 coaching), sets out evaluation methods (Compass Plus data, destination reports, parent and employer feedback, governor monitoring), and states the annual review takes place in the summer term. The careers page provides additional context and links to the full policy and curriculum map.

Curriculum content by year group and subject

Present

RECOMMENDED

The school publishes curriculum content by year group and subject across a comprehensive set of documents. The main curriculum statement describes the structure and content for each key stage (Years 7–13), including subject allocations, option pathways, and the Example Baccalaureate. Subject-specific curriculum maps and statements are published for English, Physics, Biology, Religious Studies, Sociology, Design & Technology, Mathematics (Years 7 and 11), and many other subjects, detailing topics, assessment, and progression by year group. Religious education is explicitly included in the curriculum statement and in dedicated RE curriculum maps for KS3 and KS4. Parents can find out more via the curriculum information page and by contacting the school.

Right to withdraw from religious education

Present

RECOMMENDED

Published and current. The school provides a dedicated letter to parents explaining the right to withdraw from sex education components of RSHE (with the statutory limitation that parents cannot withdraw from relationships education or science-based sex education). The PSHE/RSE policy and the parental consent form both acknowledge the right to withdraw from religious education and collective worship. The withdrawal information is accessible and clearly communicated across multiple documents.

Key stage 4 courses and GCSE options

Present

RECOMMENDED

Published and current. The curriculum statement describes the Key Stage 4 programme in detail, including the core subjects (English, Mathematics, Science), the options structure (language choice, humanities choice, creative/performing arts choice, and free option), the Example Baccalaureate pathway (English Baccalaureate plus a creative subject), and alternative technical routes for a small minority of students. This enables prospective and current pupils and their parents to understand the courses and GCSE qualifications available at Key Stage 4.

Music development plan summary

Gap

RECOMMENDED

WHAT'S WRONG

No music development plan summary has been published.

WHY IT MATTERS

The plan helps parents understand the breadth of music provision and signals the school's commitment to the national plan for music education.

WHAT TO DO

Ask your Head of Music to prepare a music development plan summary using the DfE template and publish it alongside the music curriculum statement.

FOR THE OWNER

Review the DfE music development plan template, complete it to cover both curricular and extra-curricular provision for 2026-27, and agree with the Director of Performing Arts where it should sit on the website.

FOR WHOEVER DOES THE CONTENT WORK

Download the DfE music development plan summary template, complete all sections covering classroom teaching, ensembles, instrumental lessons, and partnerships, and save it as a new PDF to publish next to `musiccurriculumstatementintentimplementationimpact.pdf`.

Public sector equality duty compliance information

Present

STATUTORY REQUIREMENT

Published and current. The school has published a Single Equality Plan dated June 2026 for implementation from 1st September 2026, which details how the school complies with the public sector equality duty under the Equality Act 2010. The plan covers all three elements of the duty (eliminate discrimination, advance equality of opportunity, foster good relations) and sets out roles and responsibilities, key groups at risk, and specific measures across recruitment, staff equality, community cohesion, and pupil voice. The plan is accessible via a dedicated statutory compliance page and as a downloadable PDF.

Equality objectives

Present

STATUTORY REQUIREMENT

The school has published specific, measurable equality objectives for 2024-27, adopted in October 2024 with annual review scheduled for October 2026. The objectives cover curriculum diversity, racial equality, gender equality, and closing attainment gaps, each with defined success criteria. The document is current and compliant with the four-year update requirement.

Gender pay gap report

Not applicable

STATUTORY REQUIREMENT

Not required because the school does not meet the 250-employee threshold.

Gender pay gap narrative and action plan

Not applicable

RECOMMENDED

Not required because the school does not meet the 250-employee threshold. The sources contain no explicit staff count or FTE figure demonstrating that the school employs 250 or more people.

Accessibility plan

Present

RECOMMENDED

Published and current. The accessibility plan for 2026-27 sets out how the school will increase curriculum participation for disabled pupils, improve the physical environment, and improve information accessibility. The plan was adopted in June 2026 for implementation from 1 September 2026 and is due for review in summer 2027.

School attendance policy and named senior attendance leader

Present

RECOMMENDED

Published and current. The Management of Attendance Policy 2026-27 names [name] as the designated senior leader responsible for attendance, sets out how the school promotes attendance (including celebrating good attendance, quality first teaching, pastoral support), describes penalties for unauthorised absence (fixed-penalty notices and prosecution pathways), explains support available to families (pastoral leads, education welfare officers, targeted intervention), and details how the school works with the local authority (through the education welfare officer and Early Help service). The policy is aligned with the DfE statutory guidance 'Working together to improve school attendance' effective 19 August 2024.

Behaviour policy including anti-bullying strategy

Present

RECOMMENDED

The school has published a comprehensive Achievement and Behaviour Policy (2026-27) that sets out how behaviour is managed, alongside a dedicated Anti-Bullying Policy (2026-27) that details how incidents of bullying are identified and addressed. Both documents are current, school-authored, and substantively cover the requirement. The behaviour policy includes expected standards, sanctions, rewards, and interventions; the anti-bullying policy defines bullying (including cyber-bullying), outlines an eight-stage investigation process, and describes follow-up support for victims and perpetrators. A Governing Body Statement of Behaviour Principles (2026-27) provides oversight. This is a recommended (non-statutory) requirement and the school has met it in full.

School uniform policy

Present

RECOMMENDED

Published and current. The uniform policy (adopted June 2026, next review Summer 2027) covers all required elements: which items are required or optional, seasonal variations (autumn term tights, spring/summer socks), branded versus generic items (only blazer badge and tie are branded, available at cost price), where items can be purchased (school shop, [uniform supplier], supermarkets and clothing stores for generic items), and how to access second-hand uniform (pre-worn school shop via contact with named staff). The policy explicitly addresses the statutory guidance on cost of school uniforms, limiting distinctive characteristics to low-cost items and maximising generic alternatives.

Remote education provision information

Partial

RECOMMENDED

WHAT'S WRONG

The remote education provision document is dated January 2021 and describes pandemic-era arrangements (blended learning, virtual school, MS Teams streaming) that may no longer reflect current provision if in-person attendance becomes impossible.

WHY IT MATTERS

Parents consulting this document today will see 2021 contact details, pandemic terminology, and arrangements that may no longer operate, causing confusion about what the school actually provides when a child cannot attend in person.

WHAT TO DO

Ask your Deputy Head (Online Learning lead) to review whether the 2021 remote education document still describes what pupils can expect today, or whether it needs updating to reflect post-pandemic arrangements.

FOR THE OWNER

Review the January 2021 remote education provision document with your IT and curriculum leads to decide whether the MS Teams streaming model, contact emails, and daily study hours still apply, then agree what needs refreshing for 2026-27.

FOR WHOEVER DOES THE CONTENT WORK

Update the file `Example Academyfoundationschoolremoteeducationprovision2.pdf` to reflect current remote education arrangements, removing pandemic-specific references (bubbles, school closures, virtual school platform) and confirming which elements (MS Teams, subject helplines, device loans) remain in place if in-person attendance is not possible.

Supporting pupils with medical conditions policy

Present

RECOMMENDED

Published and current. The school has a dedicated Supporting Pupils with Medical Conditions Policy for 2026-27 that covers all required elements: how the school supports pupils with medical conditions, Individual Healthcare Plans (IHCPs), staff training arrangements, annual review procedures, and the named contact (the SENDCo, [name]). The policy references the Children and Families Act 2014 section 100 and the December 2015 DfE statutory guidance. The document is dated June 2026 for implementation in the 2026-27 academic year and is scheduled for review in Summer 2027.

Register of business and financial interests

Partial

STATUTORY REQUIREMENT

WHAT'S WRONG

The scanner found individual items that would belong in this list, but did not find a consolidated list / register / directory page that brings them together.

WHY IT MATTERS

Parents and inspectors expect a single page that gives the overview; chasing individual items across the site does not meet the requirement.

WHAT TO DO

Ask your team to publish a single page that lists everything required.

FOR THE OWNER

Decide whether the items are best presented as one consolidated list / register page or as a hub of links, and agree where on the site it will live.

FOR WHOEVER DOES THE CONTENT WORK

Publish a single page that lists every item the requirement asks for, with links to the individual items where appropriate.

Governance arrangements

Present

STATUTORY REQUIREMENT

Published and current. The school has published comprehensive governance arrangements including the full governing body terms of reference dated October 2024 and terms of reference for all three committees (Curriculum & Performance, Employment & Recruitment, Finance & Premises) dated 2024-25, all with review dates in Autumn 2025. The full governing body terms of reference describe the trust board structure, committee structure, quorum requirements, meeting frequency, strategic functions, and the four sub-committees. Each committee's terms of reference detail membership, quorum, meeting frequency, and delegated remits. The funding agreement and articles of association are also published, providing the constitutional framework. As a Single Academy Trust, no scheme of delegation between trustees and local governing bodies is required or expected.

Whistleblowing procedure

Present

STATUTORY REQUIREMENT

The whistleblowing procedure is published and current. The policy document dated June 2026 for implementation from 1st June 2026 sets out the procedure for staff to raise concerns about wrongdoing, fraud, or malpractice. It covers the definition of whistleblowing, qualifying disclosures, protections under the Public Interest Disclosure Act 1998, how to raise concerns, investigation procedures, and assurances against victimisation. The policy explicitly references the Academy Trust Handbook requirement and includes internal escalation routes and external prescribed persons. The document carries the school's name on page one and is the school's own policy.

Complaints procedure

Present

RECOMMENDED

Published and current. The school has published a comprehensive complaints procedure (EA Concerns and Complaints Policy 2026-27) that meets the Schedule 1 Part 7 requirements, including informal and formal stages, timescales, panel composition, and appeal routes. The procedure is available to parents and carers as required.

Board and committee diversity data

Gap

RECOMMENDED

WHAT'S WRONG

No diversity data for the board of trustees or committees has been published.

WHY IT MATTERS

Publishing diversity data signals the board's commitment to transparency and inclusive governance, though participation is voluntary and trustees may opt out.

WHAT TO DO

Ask your Governance Lead or Clerk to the Governors to review whether the board wishes to publish diversity data as recommended by the DfE.

FOR THE OWNER

Decide whether the board will participate in voluntary diversity reporting, consult trustees on opt-in, and agree what aggregated data can be published without identifying individuals.

FOR WHOEVER DOES THE CONTENT WORK

If the board agrees to publish, collect opt-in diversity data from trustees and committee members, aggregate it to prevent identification, and prepare a short diversity statement for the governance section of the website.

Contact details and school information

Present

RECOMMENDED

Published and current. The school's postal address ([address]), telephone number ([phone number]), the name of the member of staff dealing with parent and public queries ([name]), the headteacher's name ([name] as Executive Headteacher and [name] as Acting Operational Headteacher), the chair of trustees ([name]), and the SENCO's name ([name]) with a contact route via [email address] are all published. The Communication Directory and the Get in Touch page together provide all required contact details.

Ethos and values statement

Present

RECOMMENDED

Published and current. The school has a dedicated Vision, Aims & Values page setting out its ethos ('[school motto]'), educational aims (improving quality of education, innovative curriculum, producing effective independent learners), and values (academic and personal excellence, mutual respect, celebrating diversity). The statement is substantive and helps prospective families understand the school's culture.

School opening hours

Partial

RECOMMENDED

WHAT'S WRONG

The opening hours page states that timings of the school day can be accessed via a link, but the link destination is not visible in the scanned content and the page does not directly state the official start and end times or total weekly hours.

WHY IT MATTERS

Parents visiting the page cannot immediately see when the school day starts and ends, which creates confusion and extra contact with the office.

WHAT TO DO

Ask your Deputy Head to confirm the school day timings are published clearly on the opening hours page.

FOR THE OWNER

Review the opening hours page and ensure the start time, end time, and total weekly hours (including breaks) are stated directly on the page, not hidden behind a link that may not work.

FOR WHOEVER DOES THE CONTENT WORK

Add a sentence to the opening hours page stating the official start and end times of the compulsory school day and the total hours per week including breaks but excluding optional after-school activities.

Key stage 4 performance measures

Present

RECOMMENDED

Published and current. The school's own performance page presents all six required KS4 headline measures for 2025: Progress 8 (noted as unavailable nationally for 2024/25), Attainment 8 (50.2), percentage achieving grade 5+ in English and maths (58.0%), EBacc entry percentage (61.0%), EBacc average point score (4.62), and percentage staying in education or employment after KS4 (95%). The page also includes comparisons to national and local authority averages.

Website housekeeping

These are not statutory requirements. They are tidy-ups that make the website easier for parents to use and keep published documents current.

WHAT WE FOUND	NUMBER	SUGGESTED NEXT STEP
The same page at more than one web address For example: /safeguarding/, /mobile-phone-policy-1/, /cookie-policy/	151	No urgent action. For a tidier site, ask whoever manages it to redirect the extra addresses to the preferred one.
Documents that may be out of date For example: Exampleacademyadmissionpolicy202526feederarrangementssummarystatement.February2024, Exampleacademyadmissionpolicy202526, Numeracypolicy2025	51	Check whether each document still reflects current arrangements, and update or replace it if not.
Dead links inside published PDFs For example: Easafeguardingpolicy2026271, Eacookiespolicy202627, Exampleacademyadmissionpolicy202526feederarrangementssummarystatement.February2024	13	Refresh each affected document and update or remove the dead links inside it.
Older editions of documents still online For example: Easearchingscreeningandconfiscationpolicy202627, Exampleacademyadmissionpolicy202728, Exampleacademyscholarshipappendicesabcdfor202728	6	Remove older editions so parents always see the current version, or label them clearly as archived.
Documents past their stated review date For example: Exampleacademyequalityobjectives20242027	1	Review each document and update its review date, or replace it with the current version.

How this report was produced

ClearSite read the text on the school's website and inside the documents it publishes, then checked each item the school is expected to publish against the statutory guidance that applies to it. Every finding names the page or document it is based on, so it can be checked.

Two kinds of content cannot be read: information saved only as an image (for example a timetable screenshot inside a policy), and information shown through an interactive viewer built after the page loads (for example a flipbook prospectus). If a result looks wrong for either reason, check whether the information is also available as plain text on the page or as a downloadable PDF.

Please note

This report reflects what was published on the school's website at the time of the scan. It is guidance to help the school check its published information. It is not legal advice and does not replace the school's own review against current statutory guidance.

Prepared with ClearSite from a scan of https://www.example-academy.sch.uk/ on 26 September 2026.
